

CONNECT WITH WORK

ABOUT US

INNOVATION COMES JOINTLY (ICJ) IS WORKING AS IMPLEMENTING PARTNER WITH GTT FOUNDATION FOR BARCLAYS CSR IN NORTHERN INDIA

“Connect with Work programme” works with people who want to get into work but, for a number of reasons, face challenges – such as a lack of experience or confidence, fewer educational qualifications, care requirements or disabilities – and helps them to develop the skills, connections and opportunities that provide a way in, or back into the workforce.

Working across a variety of industries, and in some of the fastest growing sectors of the economy, Connect with Work provides employers with access to a unique, but often overlooked, pool of talent that exists in the communities where we live and work. This enables employers to diversify their recruitment efforts and gain access to new hiring channels.

As part of Barclay's CSR initiative, Innovation Comes Jointly (ICJ) is working as an implementing partner for Connect with work program with GTT Foundation to skill unemployed youths as per the industry requirement. Innovation Comes Jointly (ICJ) will be executing this training program for the entire Northern region of India.
